End of another busy year...

As we come to the end of another busy year I would like to thank all our parents for their continued help and support. At this time of year it is always the case that we have to say goodbye to some of our children and thank you to staff who have made a significant contribution to the life of the pre-school. As we are preparing for transition we are also looking forward to meeting all the new faces.

Now that the better weather had finally made an appearance we ask that children do not come to pre-school with open-toed shoes and that their shoulders are always covered. This is all part of us providing a safe place for your children to play in the sun. We do use parasols in the outdoor area to create shade but there are also areas of the outdoors that are not shaded.

The children love to share their time at preschool with a close relative. We appreciate any parent or grandparent who would like to come and read to the children; help out during adult initiated activities or with cooking activities so do contact me if you feel you have something to offer before the end the term.

The pre-school will say goodbye to those children who are off to big school in September by holding a leavers summer party on Wednesday 23rd July. We will be sending more information nearer the date.

We shall be holding our annual formal parents day on Friday 11th July (see diary dates). The day is designed to provide an opportunity for key persons and parents to share information about their child's development and possible transition in September. Please complete and return slip attached to your letter dated 2nd June to Jacky by the 20th June to let us know that you will be attending. This is a very important event for us and we would ask that you make every effort to attend.

To help the evening run smoothly and allow for open discussion we would appreciate that where possible parents attending do so without their children or siblings.

If you have any question or concerns, please do not hesitate to call or come and see me.

Thank you.

Sarah Williams

Please remember...

Unfortunately we have had a complaint from one of our neighbours of children 'scooting' at speed along pathways when cars are leaving driveways, could we please ask that you keep your children with you at all times.

Please ensure that children arrive at preschool with sun cream on ready to start the session, sunhats are sent in and footwear must enclose the foot, no open toes or open back shoes for health and safety purposes.
